INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The Institution has 11 well furnished classrooms for teaching-learning programmes, out of which seven class-rooms are provided with Desktops, LCDs and one virtual classroom, with Wifi facility to maintain quality standards.. One multipurpose Seminar Hall and open air auditorium to conduct seminars, meetings, celebrate functions, prayers, meetings, meditation, yoga-classes, Karateclasses, cultural activities, co-curricular activities, extra-curricular activities and various other meetings.

Besides these, nine well equipped labs (ELL/JKC, Chemistry-2, Physics, Microbiology, Zoology, Computer Applications, Computer Science,) are strengthened and updated with the introduction of CBCS pattern. Each Lab maintains its own stock register, signed by the HOD and counter signed by the principal annually.

JKC /ELL lab has thirty computers along with an internet facility to train students in computers as well as language skills.

- It is used not only for developing computing skills but also to do online courses through SWAYAM and other platforms.

- B.Sc Computers- Science lab has twenty five systems for students to learn the curricular aspects.

- B.Com Computers - Applications lab has thirty six systems with an internet facility.

- 'Internet resource center' is available in the institution which is useful to the students and staff as a knowledge

centre.

- The Internet resource centre has been used with the record of a log-book.

- The students have direct access to expert lectures virtually from virtual classroom.

- The students often have lively interactions and share ideas with the other students as well as subject experts across the Globe.

- A small Garden is maintained in the College.

- The institution has a library equipped with 11412 books which is a perennial - source of knowledge to the students as well as to the teaching staff.

- The library is partially automated, databases are also available to search for the books.

- The library provides internet and inflibnet with five computers to access the e-resources to the students and staff.

- There is a Health Centre on the campus which is attended by a medical officer to check the general health conditions of the students, once in two months.

- The institution has seven RO filtered water systems at different points of the campus.

- The college has its own ground-water source in addition to the Telugu Ganga-water.

- A visitors' pavilion is provided next to the office.

- There is an NSS-Room with the required equipment on the campus.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The Library was partially automated with the help of Mr. C. Suresh using ILMS by Soul Network Version software in the year 2006. The Institution has a Library with an area of 928 Sq.fts. It has a seating capacity of 25 Students to read and five Students to access e-resources at one time. On all working days, the Library works between 10:00am to 5:00pm. During the days of Examination and vacations, working hours of the Library are - 10:00 am to 4:00 pm. The Library is equipped with 11412 Books of reference, literature, novels, arts and social sciences. The Library has an advisory committee.

All the books that have been purchased are manually noted in the accession register as well as entered in the Computer with accession number. The data is also made available for the students through Database. Staff and students can view on a system the list of books available in the Library. Books can be searched by Subject/Author/Title/Publisher etc.

1. Daily news papers

2. Weekly magazines

3. Monthly journals

are also made available in the Library.

1. A special book bank has been created exclusively for SC & ST Students.

2. INFLIBNET facility is also provided to the students and faculty, to have access different sources of knowledge like libraries to pursue research

Library Committee constitutes the following members:

Convener: Smt. K. Savithri Lecturer in History

Members :

Ms. P. Sobha Latha , Lecturer in Mathematics

Mrs. B. Durga Anuja , Lecturer in Computer Application

Dr. A. Sujala Swapna Smitha, Lecturer in Physics

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

The Institution has a Seminar Hall with a capacity of 300 seats and is fixed with an LCD projector. Seminars, Workshops, Awareness Programmes, ICT classes are conducted. The institution has one Smart class room and 7 class rooms with LCD overhead projectors which are used for Powerpoint presentations.

Mana TV classes and Virtual classes are keenly followed by the students for effective learning purposes. All the departments are provided with a system/computer through which access to the internet and specific sites of membership is allotted for e.g, Inflibnet, National Digital Library, Swayam Prabha.

The department of English has a Language Lab/JKC with 30 Computers with Intel Pentium and Dual Core/1GB/2GB/80GB/160GB configurations.

The student computers ratio is 3:1

- B.Com Computer Applications Lab has 28 Systems with Intel Dual Core 2GB/500GB configuration.

- **B.Sc. Computer Science Lab has 25 Systems having Intel Pentium and Dual Core/1GB/2GB/80GB/160GB configurations. The computer – Student ratio is 1:5.**

- **All the above labs are equipped with uninterrupted power backup through UPS.**

- **In the Library 5 computers with internet access are open to the students and the Staff for eresources.**

- **The office has 06 systems with Dual Core/2GB/500 GB configurations.**

- **The Institution is providing e-access to JKC, TISS and APSSDC, which provide opportunities and awareness about IT infrastructure, to the students.**

- **The institution first goes with LAN internet of BSNL. Then with the release of the Jio 4G it has become convenient to get connected from one's mobile which can easily be connected to Laptop/Desktop.**

- **The institution is provided with a fiber net facility with a virtual class room.**

- **The institution is planning to get NME – ICT connection.**

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Respective lecturer-in-charge of the departments are given necessary responsibilities to take measures pertaining to maintenance and upkeep of the infrastructure. There are established procedures to maintain Laboratory, Library, playgrounds, Computer, Classrooms since the inception of college. Maintenance of infrastructure facilities, services and equipment is done as per following details: The infrastructure facilities such as classrooms, buildings, hostels, green areas, Playgrounds, Library, Laboratories, Computers etc. are maintained by the maintenance department on the campus. The College has a power management department to ensure uninterrupted power supply and maintenance of electrical assets. The maintenance of equipment like, General Lighting, Power Distribution System, Biometric

Systems etc. are undertaken as per their preventive maintenance schedules, guidelines given by the equipment supplier. The maintenance of equipment for water pumping plants, sewage, etc. are undertaken as per their preventive maintenance schedules, guidelines given by the equipment supplier. Maintenance of Services: The College provides various services / facilities to the students, faculty and staff and are maintained by respective service providers as per contract. Teaching aids such as LCD Projectors, PA Systems, Laptops, Desktops, Printers, and Wi-Fi etc. are maintained by the IT Helpdesk department.

LABORATORIES:

1.The College has the following Labs. 1.ELL Lab 2.JKC Lab 3.Computer Application Lab 4.Computer Science Lab 5.Commerce Department Lab 6.Physics Lab 7.Chemistry Lab 8.Zoology Lab 9.MicroBiology Lab.The above Labs have been maintained through the support of UGC as well as State Government (CCE) with the funds given from time to time.

2.Academic support has been drawn from the University as well as other Colleges in the vicinity of the College.

LIBRARY:

1.The College Library has been a treasure trove of knowledge to the Institution.

2.The maintenance of the Library has been done with the funds allotted by the Government under different schemes like SC & ST Book Bank.

3.University Grants Commission also supports Financially to collect Books for the Library.

4.The Academic Books are often provided by the State Government through "Telugu Academy".

5.As and when the Syllabus is modified new Books with the modified Syllabus are being provided as Academic support from the State Government.

SPORTS COMPLEX:

  1. The College has inherited the site and buildings from a

Project of State Government meant for supply of Water to the whole State and the neighboring state, Tamilnadu and is called "Telugu Ganga".

2. The premise which is meant for Telugu Ganga Project is not aptly designed for play fields, Classrooms and Laboratories.

3. Through the years the Campus has been modified to provide Sports facilities like Basket – ball, Ball badminton, Badminton, Table – tennis, Volleyball and Tennikoit.

4. There is enough space for indoor games like Carromas & Chess.

5. The play fields are maintained by the several Financial Support of special fees paid by the Students.

6. The University Grants Commission also granted some funds to develop Sports infrastructure in the College.

COMPUTERS:

1. All the Departments in the College have been provided with the Systems along with Internet facility.

2. The Computer Science, Library, JKC Labs and Commerce have 2 Labs with Number of 110 Computers in all.

3. The maintenance of all the Systems is usually met with the funds available in the College.

CLASS ROOMS:

1. Though the Campus doesn't have a sufficient number of classrooms for both UG & PG courses, the available accommodation is reasonably comfortable since the college has limited strength.

2. The classrooms are equipped with furniture, lights and fans.

3. Some of them are having overhead projectors connected to the system within the class rooms.

4. One Virtual class room connected with fiber net is available

for online Teaching/learning.
