

~~2019 - 2020~~

Name of the Speaker: Dr. G. Jyothi  
Lecturer in Physics  
Kakinada, East Godavari

Topic: Interference

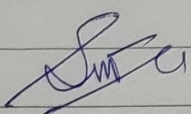

Date: 21-06-2019; 12:30 - 1 PM.

Class & group: II B.Sc. III Sem MPC & MPCE.

Name of the Students attended

1. N. Bhumika
2. E. Deepika
3. G. Kaveri
4. A. Kokila
5. P. Pavani
6. G. Kavya
7. V. Latha
8. K. Jyotshna
9. S. Safiya Muskhani
10. J. Lakshmi Gayathri
11. A. Padma Priya
12. C. Vidyavathi
13. P. Venela
14. B. Lakshmi Prasanna
15. Ch. Yogalakshmi
16. M. Hemalatha
17. B. Saideepika
18. R. Hemalatha
19. E. Janaki
20. M. Bhuvaneshwari
21. M. Baby
22. Ch. Kaveri

Feedback: The presenter has well explained the concepts of Interference, formation of Newton's rings and determination of wave length of Newton's rings.

Name of the Presenter: Dr. T. Swarnalatha

GDCCW, Srikakulam

Topic: "Electromagnetic Induction"

Date: 12-09-2019

Class & group: III B.Sc. IV Sem MPC & MPCs

### Names of Students attended

1. M. Baby
2. N. Bhunika
3. B. Saideepika
4. S. Safiya Muskan
5. Ch. Yogalakshmi
6. P. Vennela
7. M. Bhuvaneshwari
8. E. Deepika
9. R. Hemalatha
10. E. Janaki
11. J. Lakshmi Gayathri
12. A. Padma Priya
13. S. Lakshmi Prasanna
14. C. Vidya Vathi
15. O. Kaveen
16. Ch. Kaveen
17. G. Kavya
18. P. Pavani
19. V. Lalitha
20. A. Kokila
21. K. Jothsna

Feedback: The presenter has explained Faraday's laws, self and mutual inductance, calculation of self inductance of a long solenoid, energy stored in magnetic field, transformer, energy losses - efficiency

Students have well understood all the topics.
