History of the event	<p>World AIDS Day takes place on 1 December each year. It's an opportunity for people worldwide to unite in the fight against HIV, to show support for people living with HIV, and to commemorate those who have died from an AIDS-related illness. Founded in 1988, World AIDS Day was the first ever global health day.</p> <p>On the occasion of "World AIDS Day." Red Ribbon Club and Department of Zoology organized AIDs Awareness rally and Human chain formation with the students and Staff. They have created an awareness among the Public about AIDS with the perfect and reachable slogans.</p>		

<p>Significance of the event</p>	<p>An opportunity for public and private partners to spread awareness about the status of the pandemic and encourage progress in HIV/AIDS prevention, treatment and care around the world.</p> <p>Human chains can be used to spread awareness about HIV/AIDS prevention, risk factors, and social stigma</p>
<p>Outcomes of the event</p>	<p>People around the world unite to show support for people living with and affected by HIV and to remember those who lost their lives to AIDS.</p>
