

Government Degree College for Women Srikalahasti

(NAAC Accredited with B+ Grade)

STUDENT INDUCTION PROGRAMME(SIP) 2025-26

SNO	DATE	NAME OF THE TOPIC	RESOURCE PERSON
1	08-10-2025	Inauguration & Institution Code of Conduct	Dr B. Rajasekhar Principal
2	09-10-2025	Sports & Fitness Management	A. Narasimha Rao Dept of Physical education
3	10-10-2025	NEP 2020 in HE/ Library Resources	S Sreekanth Reddy Dept of Library
4	13-10-2025	Single Major/Minor	Sri.Siva Shankar Naik Lecturer in Chemistry
5	14-10-2025	Co-Curricular/Extra Curricular	V K Deenadayal Lecturer in Mathematics
6	15-10-2025	Multidisciplinary Courses	Y.Suneetha/ K.Sreeramulu Lecturer in Mathematics/Economics
7	16-10-2025	Skill Enhancement Courses	Dr.P.Kumari Neeraja Lecturer in Telugu
8	17-10-2025	CIA	T.Sailaja Lecturer in Zoology
9	18-10-2025	E-Learning/ICT	A. Sumathi Dept of Computer Science
10	21-10-2025	Online/Certification Courses	B. Durga Anuja Dept of CA
11	22-10-2025	IQAC/NAAC/Feedback	Dr T.Malathi Gabriel Lecturer in English
12	23-10-2025	JKC/Placements/CGC	Dr M.Usha Rani Dept of English
13	24-10-2025	CSP/Short &Semester Internships	A.Sumathi Dept of Computer Science
14	25-10-2025	Parent Meeting	R.Sahithi/D.Meenakshi/ C. Geetha Dept of Commerce
15	27-10-2025	Heritage &Culture	K. Padma Priya / Smt.Rudrama Devi Lecturer in History
16	28-10-2025	Digital Initiatives by CCE	Dr C.Sai Vandana/K.Prasanna Lakshmi Dept. of Physics
17	29-10-2025	NSS &WEC,RRC,ECO & other Cells	V.Jameela/T.Sailaja/ C.Subramanyam Reddy Dept of Zoology/Microbiology
18	30-10-2025	FRS/Biometric/Scholarships/Student Responsibilities	V K Deenadayal/Y. Suneetha Dept. of Mathematics
19	31-10-2025	Swachh Bharath, Health & Hygiene	Sri.Siva Shankar Naik /V.Jameela(NSS) Dept of Chemistry/Dept of Zoology
20	01-11-2025	Student Support	Dr.P.Kumari Neeraja/Dr.J.Padma Malini Lecturer in Telugu/Lecturer in Sanskrit
21	03-11-2025	Valedictory & Departments Visit	B.Durga Anuja/A.Sumathi/Dept.Incharges

Government Degree College for Women Srikalahasti

(NAAC Accredited with B+ Grade)

STUDENT INDUCTION PROGRAMME

2025-26

Day-wise Brief Report from (08-10-2025 to 03-11-2025)

Day-1 : 08-10-2025

Name of the Program : **Inauguration**

Name of the Resource Person : Dr. B. Rajasekhar, the Principal

Name of the Activity/ies : Self Introduction

No. of Students Attended 139

Brief Report :

Dr. B. Rajasekhar, the Principal of the Institution inaugurated the 21 Day Student Induction Programme on 09-08-2023 at 3-00PM. He presented a brief note on the facilities available in the institution, He also briefed about history of the Institution, its culture, about the teaching faculty etc. All the staff members introduced themselves to the students. It is followed by self-introduction of First year students.

Day-2: 09-10-2025

Name of the Program : **FIT India &Sports**

Name of the Resource Person : A. Narasimha Rao, Department of Physical Education

Name of the Activity/ies : Badminton/Shot-Put

No. of Students Attended 110

Brief Report : The physical director, Sri. A. Narasimha Rao, concentrated on and educated the students about the value of physical fitness as a means of achieving their objectives. For their physical fitness, he advised pupils to incorporate 20 to 30 minutes of physical activity each day. He cited Swami Vivekananda's adage that a healthy body and mind go hand in hand. So, maintaining a healthy lifestyle requires everyone to be fit. Sports events were also held to discover the freshmen's talents.

DAY – 3

Name of the Program : NEP 2020

Name of the Resource Person : S. Sreekanth Reddy, Dept.of Library

Name of the Activity/ies : Library Visit

No. of Students Attended 67

Brief Report : Awareness Programme conducted on NEP (National Education Policy 2020). The Resource Person explained NEP concepts, stages in School Education and Higher Education. In School Education the pattern 5+3+3+4 explained and NEP 2020 in Higher Education is explained in detail that - The Higher Education System proposed Degree with 4 years. Certificate will be given with 1 year completion. Diploma Certificate will be given with completion of 2 years. Degree Certificate will be given with completion of 3 years. Post Graduation will be given Certificate with completion of 4 years. NEP 2020 with 4 years degree students can directly join in Ph.D programme. M.Phil course was abolished. New system of Academic Bank Credit was introduced.

Day - 4 : 13-10-2025

Topic :Single Major/Minor

Importance of Single Major and Minor Programme for 1st Year Degree Students:

1. **Interdisciplinary Learning:** Combines knowledge from multiple disciplines, fostering a broader understanding and perspective.
2. **Flexibility:** Allows students to explore different subjects and interests while specializing in one area.
3. **Enhanced Employability:** Develops a unique skill set, making graduates more attractive to potential employers.
4. **Personal Growth:** Encourages students to step out of their comfort zones and develop new skills and perspectives.

Objectives:

1. **Holistic Education:** Provide students with a comprehensive education that integrates multiple disciplines.
2. **Specialization with Flexibility:** Allow students to specialize in a major area while exploring a minor area of interest.
3. **Skill Development:** Develop critical thinking, problem-solving, and communication skills.
4. **Career Opportunities:** Prepare students for a wide range of career opportunities by combining theoretical knowledge with practical skills.

Benefits for 1st Year Students:

1. **Exploration:** Opportunity to explore different subjects and interests.
2. **Foundation Building:** Develops a strong foundation in the major and minor subjects.
3. **Informed Decisions:** Helps students make informed decisions about their academic and career paths.
4. **Networking:** Opportunities to connect with peers and faculty from various disciplines.

Day – 5: 14-10-2025

Venue: Department of Mathematics Classroom

- Resource Person: V.K. Deenadayal, Lecturer in Mathematics
- Topic: B.Sc Honors - Major

Report on Student Induction Programme Session

As part of the Student Induction Programme organized by the Government Degree College for Women, Srikalahasti, a special session was conducted on 14th October 2025. The session was led by Mr. V.K. Deenadayal, Lecturer in Mathematics. The topic of the session was 'B.Sc Honors - Major'.

During the session, the resource person provided a detailed overview of the structure and significance of the B.Sc Honors program. He highlighted the academic framework, major subject focus areas, and career opportunities available for students pursuing B.Sc Mathematics. The lecture also emphasized the importance of analytical thinking, logical reasoning, and problem-solving skills required for success in the course.

Students actively participated and interacted with the speaker, clarifying their doubts about the curriculum, credits, and higher education opportunities. The session proved to be highly informative and motivating for the newly admitted students.

Objectives:

- * To develop essential academic skills such as critical thinking, logical reasoning, communication, and problem-solving.
- *To provide insight into the career opportunities and higher education paths related to their chosen discipline
- *To encourage participation in sports, yoga, and fitness programs that enhance health and concentration.
- *To enhance communication and presentation skills through seminars, group discussions, and competitions.

Day – 6 : 15-10-2025

TOPIC : MULTIDISPLINARY COURSES

As a part of students induction programme on 15.10.2025 for the first year students, conducted a programme on MULTIDISPLINARY COURSES. The programme was organized by Sri. K.Sreeramulu lecturer in Economics , Smt. Y.V Suneetha Lecturers in Mathematics. All the first year students attended the programme explained the introuction to multidisciplinary courses and uses

Introuction to Multidisciplinary courses : A curriculam that combines two or more academic disciplines to create a more holistic and integrated learning experience

Encourage awareness about the new learning pathways and career oppotunities through induction programs.

Inform students about the multiple entry and exit options available, allowing them to exit with a certificate or diploma after completing specific credit levels.

DAY -7: 16-10-2025

Organized by: Student Induction Committee

Resource Person: Dr. P. Kumari Neeraja

As part of the Student Induction Programme (SIP) for first-year Undergraduate students, a session on Skill Enhancement Courses (SEC) was organized on 16 October 2025 at the Government Degree College for Women, Srikalahasti.

Objective of the Session

The main objective of the session was to introduce the newly admitted students to the concept and importance of Skill Enhancement Courses, which form an integral component of the undergraduate curriculum under the National Education Policy (NEP) 2020. The session aimed to create awareness among students about the significance of skill-based learning in enhancing employability, creativity, and practical knowledge.

The session began with a welcome address by Dr. P. Kumari Neeraja, who explained the relevance of skill development in the current educational framework. She elaborated on the range of Skill Enhancement Courses offered to students, such as Communication Skills, Digital Literacy, Personality Development, Data Analysis, and Entrepreneurship Development mainly **Artificial Intelligence** (3hours theory, 2 hours practices). Through an engaging presentation, Dr. Neeraja highlighted how these courses help bridge the gap between academic learning and practical application.

Student Response

Students actively participated in the interactive session and expressed that it helped them understand the importance of choosing SECs aligned with their interests and career aspirations. Many shared that they felt motivated to focus on developing additional skills beyond their core subjects.

Conclusion

The session on Skill Enhancement Courses under the Student Induction Programme was highly informative and inspiring. It effectively guided students toward adopting a skill-oriented learning approach, in line with the goals of NEP 2020.

DAY – 8 : 17-10-2025

Topic: Continuous Internal Assessment (CIA)

1. Introduction

A Student Induction Program was organized on 17th October 2025 at Government Degree College for Women, Srikalahasti, to orient the newly admitted students about the academic evaluation process of the institution. The session focused on Continuous Internal Assessment (CIA), which forms a crucial part of student performance evaluation.

2. Objective

The session aimed to help students understand:

- The structure and components of CIA.
- The method of marks distribution and assessment.
- The importance of consistent participation in academic and co-curricular activities.

3. Resource Person

The session was conducted by Smt.T. Sailaja, Lecturer in Zoology, who explained the detailed framework of CIA and its significance in continuous learning and skill development.

4. CIA Components and Marks Distribution

Component	Maximum Marks
Mid-I Examination	20
Mid-II Examination	20
Peer Group Learning	10
Project-Based Learning	10
Seminar and Group Discussion	10
Clean and Green Activity	5
Total	75 Marks (Scaled down to 25 Marks)

DAY – 9 : 18-10-2025

Topic : E-learning and ICT
Name of the Resource Person : Smt A.Sumathi

Objectives on E-Learning / ICT

1. To introduce students to the concepts of **E-learning** and **Information and Communication Technology (ICT)** in education.
2. To understand the **role of technology** in modern teaching and learning processes.
3. To create awareness about various **digital tools, platforms, and resources** that support online learning.
4. To develop **digital literacy skills** among students for effective use of ICT.
5. To promote **self-learning and flexible learning habits** through online platforms.
6. To demonstrate how ICT enhances **collaboration, communication, and creativity** in education.
7. To encourage students to use technology **ethically and responsibly** for academic purposes.
8. To prepare students for the **digital transformation** in higher education and future workplaces.

Brief Report

As part of 21-day Student Induction Program for First year students on October 18, 2024 from 3:00 PM to 5:00 PM, A.Sumathi, a lecturer in Computer Science created awareness on Various ICT tools and the benefits of E-learning . During the session, the speaker explained how **E-learning** uses the internet, computers, and mobile devices to deliver educational content anytime and anywhere. We learned about various ICT tools such as:

- **Learning Management Systems (LMS)** like Google Classroom and Moodle.
- **Video conferencing platforms** such as Zoom and Microsoft Teams.
- **Digital resources** like e-books, educational videos, and online quizzes.

The session also discussed the role of ICT in creating interactive, flexible, and accessible learning environments. We were shown examples of how teachers can use multimedia presentations, virtual labs, and online assessments to make lessons more engaging.

DAY -11 : 22-10-2025

Dr. T. Malathi Gabriel, IQAC Coordinator, addressed the first-year students during the Induction Programme, highlighting the vital role of IQAC in maintaining institutional quality. She emphasized the importance of feedback, student satisfaction surveys, and systematic documentation to ensure transparency, accountability, and continuous improvement within the institution.

DAY -12 : 23-10-2025

Topic : JKC

The Student Induction Program was conducted for first-year students on 23/10/2025 by Dr.M.Usha Rani, JKC Cordinator aiming to equip first year students with essential skills for employability and academic success. Dr.Usha briefed students on different trainings imparted by the Jawahar Knowledge Centre and it's benefits

1. Communication and Soft Skills: Enhancing students' verbal and written communication, teamwork, and interpersonal skills.
2. Computer Skills: Providing hands-on training in computer applications, programming, and digital tools.
3. Analytical Skills: Developing problem-solving, critical thinking, and analytical abilities.
4. General Knowledge: Updating students on current affairs, general knowledge, and industry trends.

Benefits for Employability:

- Enhanced Employability: JKC training equips students with industry-relevant skills, making them more attractive to potential employers
- - Improved Communication: Students develop effective communication skills, essential for professional success.
- Technical Proficiency: Computer skills training enables students to adapt to technology-driven work environments.
- Holistic Development: The program fosters overall development, preparing students for careers and further education.

The program ended with the visit of the students to the JKC lab and PPT presentation on previous JKC batches and their trainings.

DAY – 13: 24-10-2025

Topic : CSP ,Short Term and Long Term Internships

Name of the Resource Person : Smt A.Sumathi , Lecturer in Computer Science

Objective:

The Community Service Project (CSP) aims to develop social responsibility, empathy, and civic awareness among students. It helps students connect classroom learning with real-life issues and understand the importance of community development. Short-term internships provide students with exposure to industry practices and help them understand workplace culture. Long-term internships offer in-depth practical training and project experience aligned with students' career goals.

Key Goals:

- To sensitize students to social and environmental challenges.
- To encourage teamwork, problem-solving, and communication skills.
- To develop leadership qualities through real-world community engagement.
- To enhance time management and communication skills.
- To build confidence and prepare for future long-term internships or employment.
- To gain deep technical and domain-specific knowledge.
- To work on real-time projects and solve industry-level challenges.
- To bridge the gap between academic learning and professional application.
-

Brief Report: A.Sumathi,Lecturer in Computer Science created awareness on the CommunityService Project , Short-term Internship and 6 months Long term Internship On Job Training Programmes which are mandatory to pursue Degree courses as per the new guidelines of CBCS 2020-21. The objective of doing Community Service Project, the duration, no. of credits etc., is explained to students and how it helps the students to know the real conditions of people in the society and to think out of the box to the problems faced by the disadvantaged sections. Later she explained about the 2 Internship programmes that provide an opportunity to students to enhance their employability skills and real-time experience while learning and also source to earn while learning and make themselves ready to work and be future business leaders.

DAY-14 : 25-10-2025

Resource Person: Ms.R.Sahithi (Lec in Commerce).

Topic :Parent Meeting

Report on Parent Meeting

The Parent Meeting Program was conducted on 25th October 2025 for the first-year students. The session was organized by Ms. R. Sahithi, Lecturer in Commerce, and was also graced by two Guest Lecturers — Ms. D. Meenakshi and Ms. C. Geetha. The program aimed to emphasize the importance of parent–faculty interaction and how such meetings contribute to the academic and personal development of students.

Session Highlights

Ms. R. Sahithi addressed the first-year students and elaborated on the significance of organizing Parent Meetings in academic institutions. She explained how these meetings serve as a bridge between the college and parents, allowing both to work together in guiding and monitoring the student’s progress.

The session also highlighted the following key points:

Improved Communication: Strengthening the bond between faculty, students, and parents to ensure transparent communication.

Student Progress Monitoring: Parents can stay informed about their child’s academic performance, attendance, and behavioral development.

Addressing Academic Concerns: Faculty can discuss students’ difficulties and seek support from parents for better learning outcomes.

Motivation and Guidance: Joint discussions encourage students to stay motivated and focused on their goals.

DAY-15 : 27-10-2025

As a part of student induction programme for new joining students, Department of history conducted a class on heritage and culture in India

Objectives:

To know about the importance of Heritage

To understand how the culture of India be ideal to the world

K. Padmapriya and M. Rudramadevi conducted a class on heritage and culture to the students.

India's heritage and culture is a diverse, ancient and rich amalgamation of religions, languages, art forms and traditions. The culture reflects a history of diverse influences, but its core is characterized by principles of tolerance and harmony.

Outcomes:

Students able to recall their previous knowledge in heritage and culture

Students understand the importance of art and architecture, dance forms, society in india.

Day-16:

Name of the Resource Persons:

Name of the Activity:

No. of Students Attended:

28-10-2025

Digital Initiatives by CCE

Dr. C. Sai Vandana & Smt. K. M. Prasanna Lakshmi

Interactive discussions

93

Brief Report: As a part of 21-day Induction programme for first year students Dr. C. Sai Vandana & Smt. K. M. Prasanna Lakshmi, Lecturers in Physics, created awareness on various Digital Initiatives introduced by the CCE on 28th September 2025 from 3-00 PM to 5-00 PM. During the session, a detailed information was delivered to students about various digital initiatives like Virtual Classrooms, Learning Management System, Inplibnet, SWAYAM, NPTEL, E-CEGRAM, Virtual Labsetc., Students were enlightened about their career growth by using such digital initiatives. All the students participated actively and some of them shared their experiences with different digital platforms.

Images:

DAY – 17: 29-10-2025

Title:

Student Induction Programme on Women Empowerment Cell, Red Ribbon Club, and NSS

Introduction:

As part of the Student Induction Programme, Government Degree College (Women), Srikalahasti, conducted an awareness session on Women Empowerment Cell (WEC), Red Ribbon Club (RRC), and National Service Scheme (NSS) on 29th October 2025. The programme aimed to familiarize newly admitted students with the objectives, activities, and importance of these vital extension units of the college.

Programme Details:

The session was held in the college seminar hall and witnessed enthusiastic participation from first-year students and faculty members. The program was presided over by the Principal of the college, who highlighted the importance of social awareness, leadership, and service activities in shaping responsible citizens.

1. Women Empowerment Cell (WEC):

The session on WEC was led by Smt. V. Jameela, Convener of the Women Empowerment Cell. She explained the objectives of the Cell — to promote gender equality, ensure safety and dignity of women, and empower girl students..

2. Red Ribbon Club (RRC):

The Red Ribbon Club session was coordinated by Smt. T. Sailaja, Red Ribbon Club Coordinator. She spoke about the mission of RRC in promoting awareness on HIV/AIDS, health, and blood donation.

3. National Service Scheme (NSS):

The NSS Program Officer Smt. V. Jameela briefed students about the motto 'Not Me But You,' stressing the importance of volunteerism, community development, and social responsibility.

Coordinators:

- Smt. T. Sailaja – Red Ribbon Club
- Smt. V. Jameela – Women Empowerment Cell & NSS

DAY-18: 30-10-2025

FRS/BIOMETRIC/SCHOLARSHIPS/STUDENT RESPONSIBILITIES

As a part of students induction programme on day 18 i.e.,30.10.2025 for the first year students, Department of Mathematics conducted a programme on FRS/Biometric/Scholarships/Student responsibilities. Awareness was conducted. This programme was organized by Sri. V.K Deenadayal &Smt. Y.V Suneetha Lecturers in Mathematics. All the first year students attended the programme spoken on the occasion and explained the need of using FRS/Biometric/Scholarships.

FACIAL RECOGNITION SYSTEMS(FRS) : A Camera captures a students facial image upon entry to a Classroom , Lab or Campus facility.

BIOMETRIC : Students provide a fingerprint or iris scan which is authenticated in real time against central data base often using Aadhar information. This process conforms the students identity and Marks their Attendance. Which is then used as Eligibility data for scholarships disbursement.

DAY-19

Topic: Swachh Bharath, Health & Hygiene

Date: 31-10-2025

Resource Person: Sri. B. Siva Sankar Naik, NSS coordinator, Lecturer in Chemistry

As a part of students induction programme on day 18 i.e.,31.10.2025 for the first year students, Department of Chemistry & NSS conducted a programme on Swachh Bharath, Health & Hygiene. This programme was organized by Sri. B. Siva Sankar Naik ,Lecturers in Chemistry. All the first year students attended the programme spoken on the occasion and explained about Health and hygiene are essential components of human well-being and national development. A healthy population contributes productively to the economic, social, and cultural growth of a country. Proper hygiene practices— personal, environmental, and community-based—help prevent diseases, improve quality of life, and promote sustainable living. In India, the Government’s flagship mission Swachh Bharat Abhiyan (Clean India Mission), launched on 2nd October 2014, represents a major step toward creating a clean and hygienic nation.

DAY-20 : 01-11-2025

Resource Persons: Dr. P. Kumari Neeraja and Dr. Padma Malini

As part of the Student Induction Programme (SIP) for first-year Undergraduate students, a session on Student Support Services was organized on 03 November 2025 at the Government Degree College for Women, Srikalahasti.

Objective of the Session

The objective of the session was to familiarize newly admitted students with the various support services and facilities available in the college that contribute to their academic, personal, and social development. The session aimed to ensure that students are aware of the assistance provided by the institution to help them succeed academically and personally.

The session began with a welcome address by Dr. P. Kumari Neeraja, who emphasized the importance of understanding and utilizing the various student support services offered by the institution. She introduced students to the NSS, Red Ribbon Club, JKC, Eco Club, Mentoring System, Grievance Redressal Cell, Career Guidance and Placement Cell, Women Empowerment Cell, Anti-Ragging Committee, and Library and Scholarship Services and activities like Tree planting, Water harvesting, Waste Management, Gardening, Natural Walks, Competitions etc.

Following her presentation, Dr. Padma Malini motivated students to actively participate in co-curricular and extension activities to enhance their overall personality development.

Student Response

The students actively engaged in the session, interacting with the resource persons and clarifying their doubts regarding scholarship eligibility, library facilities, and grievance redressal mechanisms. They expressed that the session was highly useful in understanding how the institution supports their holistic growth.

DAY-21: 03-11-2025

Valedictory Session is conducted on the 21st day of Student Induction Programme. Dr. B.Rajasekhar, the Principal, congratulated everyone for the successful completion of the 21 day Student Induction Program. He enlightened the students with moral stories to build a positive attitude to reach their set goals. Smt. B. Durga Anuja, Smt. A. Sumathi coordinated the program. The Principal and the Event Coordinators of the competitions distributed prizes to the winners of the respective fields.

Conducted Various competitions like, Singing, Dancing, Poetry Recitation, Musical Chairs, Running, Fancy Dress, Mehendi, Rangoli and Hand Crafts to bring out the hidden talents of students in various fields.
