5. Programme Description

The five-day IQAC training program under the PM-USHA scheme at Government Degree College for Women, Srikalahasti, targeted 150 participants to equip faculty members, administrative staff, and undergraduate students with the knowledge, skills, and strategies necessary to strengthen the Internal Quality Assurance Cell (IQAC) in alignment with National Education Policy 2020. This comprehensive program addresses key aspects of quality assurance in 2026, including NAAC accreditation

frameworks, outcome-based education metrics, research enhancement protocols, documentation standards, and sustainable institutional development. Participants will be introduced to the fundamentals of higher education quality frameworks, data-driven assessment tools, and best practices for aligning with National Education Policy 2020 to safeguard academic integrity and promote equity in rural settings.

In addition, the program will provide an overview of relevant quality assurance guidelines and policy frameworks, including NAAC assessment criteria, IQAC operational manuals, and institutional audit mechanisms, along with guidance on implementation strategies, performance monitoring, and continuous improvement processes.

6. Outcomes/Impact of the Programme

- ❖ Upon successful completion of the program, participants will be able to:
 - ❖ Identify quality assurance gaps and apply preventive measures to enhance accreditation readiness.
 - ❖ Implement best practices for IQAC operations, curriculum design, research metrics, and governance improvements.
- a. Provide details of the follow-up activities planned, if any.
